Subject: HOT - HQ Request for Regional Good News Announcements

SLT Members,

HQ has asked all Regions to “send in good news announcement, possibly as soon as later this week, about an action(s) the Agency has recently taken or is about to take that will have significant positive impacts on public and the environment. Please provide a brief description of the action including timing and expected impacts”.

Suspense: ASAP

The OCPI team is exploring options with the programs, but we need your assistance to identify possible program actions to share with HQ.

Please send proposed actions to Laura Jenkins and myself. Once Suzanne approves the submissions, we will send to Mike Flynn (with cc to Nancy Grantham and Sandra Connors).

Best regards,

Andrew
